POLISH VODKAS AND APPETIZERS TASTING

**Taste Polish vodka, explore its shades, aromas and flavors.
Our tasting set shows how diverse it is and what flavors it offers.
The set includes five different vodkas and matching snacks.**

Ostoya Pszenica (Wheat) - served with pickles

Ostoya is a vodka that gets its start in the Bieszczady Mountains – among the pristine streams and grasses of the Bieszczady highlands, where everything runs according to the rhythm of nature. In the Bieszczady microclimate acquires character.

The best quality wheat sown in the sun-filled Bieszczady fields.
Thanks to such exceptional conditions and as a result of the process of multiple distillation, Ostoya vodka achieves an extraordinary taste.

Extra Żytnia (Rye) - served with herring in vinegar

Extra Żytnia® Vodka is an excellent dry vodka and one of the most popular in Poland and among Polish expatriate communities around the world. That's because Poland is where vodka was born. Żytnia® (pronounced zhit-NYA) is made from high quality rectified rye spirit obtained from special varieties of grain.

This vodka has won numerous gold medals for its taste. Produced from 100 percent rye grain it is one of the most flavorful and interesting vodkas.

Wyborowa Ziemniak (Potato) - served with beef tartare

Limited edition of Wyborowa vodka made from Polish potatoes, thanks to which the vodka has a delicate, slightly sweet aroma. Production of potato vodka is a complicated and more expensive process than grain vodka. The final effect, however, 100% compensates for the effort put into production.

Żubrówka classic - served with homemade pate

Each bottle contains a blade of bison grass added by hand, giving Żubrówka its unique and aromatic taste. A taste of real nature. Żubrówka Bison Grass is the world's Number 3 vodka and prolific gold medal winner. The legendary Żubrówka story started over 500 years ago in the primeval Białowieża forest.

A forest that makes up Europe's invaluable green lung.
A world heritage site protected by UNESCO where Europe's last remaining herds of wild bison roam free and where wild bison grass grows in the glades.

Wiśniówka Cherry Cordial 40% - served with grilled oscypek cheese

The legendary "Wiśniówka" Cherry Cordial - is made according to a traditional 19-century recipe - using sweet and sour cherries combined with triple-distilled potato spirit, crystal-clear mountain water from Beskidy Mountains springs. Very slightly sweet, it stands out from the other flavors of the range with a lighter taste, making this vodka a nice after-dinner drink or a good base for fruity cocktails. It is a real rarity. Cherries are made only from cherries of the Prunus Avium variety - bird cherries
